PARLOR BASE BALL.

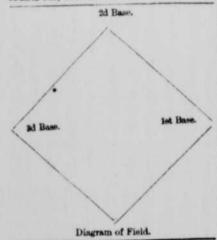

Another Game With Instructions How to Play it With Cards,

The article in the Sunday Post-Dispatch of several Sundays ago on the game of parlor base ball has attracted much interest, and as a result of it another game is given, also of the base ball character, which will help to pass the long evenings at home and help entertain guests.

This second game is best when played by one or three persons on a side, but it may be played by any number from one up to nine on a side. The necessary articles are two packs of cards, a lead pencil and a sheet of paper. Out of these two packs of cards 7 aces, 7 three-spots, 6 kings, 4 queens, 1 knave and two five-spots are to be put aside and are not used in the game. The values of the cards are as follows:

Ace Home run. Four-spot Base on error king "3-base hit. Six-spot "Fy-out. Seven-spot Base on error king "5-base hit. Seven-spot Foul-out. Eight-spot. Stolen base. Five-spot Double play. Three-spot Three-spot Wo-spot Strike-out Hit by pitched ball

Two-spot ... Strike-out | Hit by pitched ball
Take the twenty-seven cards remaining
and shuffle them well. Then lay then face
downward on the table. Then the captains
of the opposing sides each draw a card from
the middle of the deck. The one that
draws the highest card has the right to
choose the out side or the in side. Then
those two cards are put in the deck and it is
reshuffled and placed face downward as before. Then the one who has first innings
turns up the top card. If it a card that
counts out, one out is marked on the score

sheet, and the next card is turned up, etc., until three outs are made. Then the other side takes its innings and noes the same.

After a card is turned up it is placed in another pile. This is kept up until every card has been used, when they are taken up and shuffled and placed face downward as before, and the play goes on until the nine innings have been played.

The following is an example of one inning: A has first innings. He turns up the first card and it is a seven; that is foul out. One out is marked on the score. The next card is turned up and it is a king; that is a three-base hit. A poker chip, dime, one-cent or any coin is placed on third base on the diagram indicating the state of the inning. The next card is turned up and it is a five; that is a double play, which retires the man on third base and batter.

This retires the side, as there was one man out before the double play. The other side takes innings and the game goes on as illustrated. A nine, which is a sacrifice hit, advances the runner one base if there are any men on bases, if not, it counts an out. An eight, which is a stolen base, counts out if there are no men on base. In a double play the batter and the man on the base nearest home are declared out. If a five (that is, a double play) is turned up when there are none on base, it merely counts one out. A man on base is advanced as many bases as the man batting. When an eight-spot is turned up when there is a man on third base, it does not signify that he stole home base, but that he came home on a fly to the outfield. This game is made easier if you write on the border of each card its value. As on an ace, write home run, etc. card its value. As on an ace, write home

A good score-sheet is all follows:

Hits.	Strike Outs.	1	2	3	4	5	6	7	8	9	10

just how the game went by keeping the usual columns of total bases, etc.—J. Oliver Bart in St. Louis Post-Dispatch.

The use of calomel for derangements of the liver has ruined many a fine constitution. Those who, for similar troubles, have tried Ayer's Pills testify to their efficiency in thoroughly remedying the malady, withut injury to the system.

What a Fortune

Is a good healthy, pearly skin. Few are aware of the short time it takes for a disordered liver to cause blotches on the face, and a dark greasy skin. One bottle of BEGGS' BLOOD PURIFIER and BLOOD MAKER will restore this organ to its natural and healthy state, and cleanse the blood of all impurities. It is meeting with won-derful success. We guarantee every bottle. R. S. Hale & Co., Druggists.

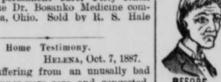

The Verdict Unanimous.

W. D. Sult, druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man has given relief in every case. One man took six bottles and was cured of rheumatism of ten years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only half a dollar a bottle at R. S. Hale & Co.'s drug store.

Herculean Strength Continually on the strain, or overtaxed at intervals, is far less desirable than ordinary vigor perpetuated by rational diet and exercise, and abstention from excess. Professional pugilists and athletes rarely attain old age. As ordinary vigor may be retained by a wise regard for sanitary living, and for the protection against disease which timely and judicious medication affords, so also it may be lost through prolonged sedentary labor, uninterrupted mental strain, and foolish eating and drinking, the chief and most immediate sequence of all four being dyspepsia. For this condition thus, or in any way induced, and for its offspring, a failure of muscular and nerve power, Hostetters Stomach Bitters is the primest and most genial of remedies. Not only indigestion, but loss of flesh, appetite and sleep are remedied by it. Incipient malaria and rheumatism are banished, and kidney, bowel and liver complaint removed by it. intervals, is far less desirable than ordinary

I was suffering from an unusally bad cough, my lungs were sore and congested, and I consulted one of the best physicians and I consulted one of the best physicians in Helena, whose prescriptions failed to relieve me. I became alarmed, and at the suggestion of a friend purchased a bottle of Aker's English Remedy for coughs, and after taking it according to directions was completely cured. I therefore cheerfully recommend it.

I had a racking cough and inflamed throat and bought a bottle of Acker's English Remedy upon the recommendation of a friend, and was entirely cured by it. I consider it a never failing remedy for a cough.
